Testimonials From Our Sponsors

“

Sponsoring Breast Wishes aligns with our company's values, as one of our core principles is that without helping others, we do not exist. We take pride in our commitment to caring for and giving back to those in need. Collaborating with Elesha and her team was a highly positive experience, and we were thoroughly impressed with the overall outcome

- Amanda, ECO

“

I could see their passion for assisting others going through cancer. The events are for fundraising, yet create a very positive environment for team building and meeting new contacts. A wonderful team that is exceptional to work with in accomplishing goals!

- Jeff, Progressive Printers

In Kind Donations

We are continually seeking donations of gift cards, prizes, and other items for our silent auctions and raffles at each event. Specifically, we are looking for vacation rentals, designer purses, jewelry, wine and liquor baskets, gift cards, tickets to sporting events, zoos, and aquariums, as well as beauty baskets featuring salon products and experiences.

As a thank you for your generous donation, we would be delighted to feature your promotional items in the swag bags for each event.
